

# Modern Apprenticeship Programme now Enrolling!

3 places  
available  
for August  
2019 intake.

Pointer Ltd is delighted to announce that we have secured funding to deliver training for security apprentices in 2019/20.

The Qualifications delivered are; (Syllabus Attached Below)

**GG9K 23 – SVQ in Providing Electronic Fire and Security Systems – Level 3**

**GJ7L 46 – Electronic Fire and Security Systems SCQF Level 6 – Professional Development Award (PDA-N)**

We deliver “Apprentice College” on a weekly block release basis at our dedicated training centre in Glasgow, with Trainers from within the Industry and have access to current security equipment to all the new UK and European Standards.

The course is a 3-year course which includes Intruder, CCTV, Access and Fire Modules along with a series of practical workshops in a live working environment.

We have experience in delivering the Apprenticeship Programme for over 40 years and managing our customer demands for security systems at the same time.

We have trained and are training apprentices who have won BSIA national awards for being the best apprentices in the country. This could be your apprentice too!

If you would like to secure a place for an apprentice, then please contact our Learning and Development Officer David Buntain;

**david.buntain@pointer.co.uk**

**0141 564 2619.**

# GG9K 23 – SVQ in Providing Electronic Fire and Security Systems – Level 3
